Disasters don't plan ahead, but you can.

Protect your business today.

Is Your Business Prepared for a Disaster? Disaster can strike at any time; being prepared is the key to recovering quickly--especially for business owners. This workshop will focus on succeeding at Business Continuity after a disaster by preparing BEFORE the disaster strikes. Participants will also receive information, tips, tools and resources that are available to help businesses and communities rebound quickly and get back to business. SBA will discuss how to access SBA's Disaster Loan Program and American Red Cross will discuss the Ready Rating Program. Light refreshments will be provided.
